### ABOUT THE UNIVERSITY

Tezpur University was established by an Act of Parliament in 1994. The objectives of this Central University, as envisaged in its statutes, are to offer employment-oriented and interdisciplinary courses to meet the local and regional aspirations and development needs of the state of Assam. Additionally, it aims to provide courses and promote research in areas that are of special and direct relevance to the region, as well as in emerging areas of science and technology.

### ABOUT CMDR

Multidisciplinarity has been a hallmark of Tezpur University since its inception, reflected in its strong record of multidisciplinary research and publications. To further strengthen this approach, the University established the Centre for Multidisciplinary Research (CMDR) in 2020, offering Open Elective courses for PhD and PG students. In 2023, the Indian Knowledge Systems (IKS) Division of the Ministry of Education awarded CMDR a Multidisciplinary IKS Centre titled "Exploring Knowledge on Medieval Assam."
